

## DEAR STORE MANAGER OR BUYER,

As a regular customer, I would love the opportunity to purchase No Whey Foods products at your store. No Whey Foods creates chocolate products to fill the needs of millions of customers with food allergies, on Vegan or Kosher diets, and customers avoiding foods with chemicals/additives. They specialize in delicious, allergy friendly, gluten free, and vegan chocolate. Their products are free of the top 8 common allergens. Their dedicated manufacturing facility provides a level of food safety that customers with food allergies trust.

Making No Whey Foods products available in your store will fulfill the rising demand for allergy friendly and vegan chocolate within our community and will positively differentiate you from competing supermarkets. No Whey Foods will add you to their online store locator to drive customer traffic directly to your store location!

No Whey Foods has some exciting and wildly popular seasonal products for Halloween, Christmas, Chanukah, Valentine's Day, and Easter. Please call No Whey Foods at 732-806-5218 or email the friendly staff at [info@nowheychocolate.com](mailto:info@nowheychocolate.com) to set up a wholesale account. To view information on wholesale account setup, visit the "Wholesale" FAQ section at [nowheychocolate.com/help.asp](http://nowheychocolate.com/help.asp)
